# ABOUT GANGTOK (SIKKIM)

Nestled in the lap of the majestic Himalayas, Sikkim is one of India's most enchanting states, known for its breathtaking landscapes, rich biodiversity, and harmonious blend of cultures. Bordered by Bhutan, Tibet, and Nepal, it stands as a gateway to the North-East and is celebrated for its peace, cleanliness, and high literacy rate.

The state's capital, Gangtok, is a vibrant hill city perched at an altitude of around 5,500 feet. It offers a stunning panorama of the snow-capped Kanchenjunga — the third-highest mountain in the world and serves as a center for culture, education, and tourism. The city is adorned with colorful monasteries, prayer flags fluttering in the breeze, and bustling markets that reflect both tradition and modernity. Sikkim is not just a visual delight but also an example of progressive governance and sustainable development. Known for being the first fully organic state in India, it takes pride in preserving its environment while promoting education and skill development. The people of Sikkim are warm, welcoming, and proud of their heritage, making it an ideal destination for students from across the globe to live and learn.

## TRANSPORT & ACCESSIBILITY

- BY AIR** : Bagdogra (IXB) remains the primary gateway—approximately 125 km away and a 4-hour drive. Alternatively, Pakyong Airport (opened 2018) is ~30 km and about 1 h 15 m from Gangtok.
- BY TRAIN** : New Jalpaiguri (NJP), near Siliguri, is well-connected; onward travel by taxi or shared cab to Gangtok is common.
- BY ROAD** : Scenic road trips, shared taxis, and even a 35-minute helicopter service from Bagdogra offer flexible travel.

## TSOMGO LAKE

Tsomgo Lake, also known as Tsongmo Lake or Changgu Lake, is a glacial lake in Changu in the Gangtok district of the Indian state of Sikkim, some 40 kilometres (25 mi) from the capital Gangtok. Located at an elevation of 3,753 m (12,313 ft), the lake remains frozen during the winter season. The lake surface reflects different colours with change of seasons and is held in great reverence by the local Sikkimese people. Buddhist monks prognosticated after studying the changing colours of the lake.

## HANUMAN TOK

Hanuman Tok is a Hindu temple complex which is located in the upper reaches of Gangtok, the capital of the Indian state of Sikkim. The temple is dedicated to lord Hanuman, and maintained by the Indian army. It was established in 1952. Located at an altitude of 7,200 feet, it is known for its stunning architectural features and panoramic views of the valley and the majestic Mount Kanchenjunga.

## ENCHHEY MONASTERY

Perched on a hilltop just a short drive from Gangtok, Enchey Monastery is one of Sikkim's most peaceful and spiritually significant sites. Founded in the 19th century, the name "Enchey" literally means the solitary temple, symbolizing a place where one can connect deeply with the divine in a serene environment. For travelers seeking peace, cultural richness, and a glimpse into the spiritual heart of Sikkim, Enchey Monastery is a destination that inspires both the soul and the senses.

## RUMTEK MONASTERY

Rumtek is not just a spiritual hub but also a center of learning, meditation, and monastic life. It hosts various religious festivals, including the Losar (Tibetan New Year) and colorful mask dances that depict Buddhist teachings and legends. For visitors, Rumtek Monastery is more than just a sightseeing spot—it is a place to experience the deep spiritual essence, cultural richness, and architectural beauty of Sikkim.

## TSUKLAKHANG PALACE

Tsuklakhang Palace, also known as the Royal Chapel, is one of the most significant cultural and religious landmarks in Gangtok, Sikkim. Built in the 1890s during the reign of Chogyal Thutob Namgyal, the palace served as the principal place of worship for the royal family of Sikkim. The palace is renowned for its beautiful Buddhist murals, altars, and religious paintings that reflect the rich heritage of Tibetan Buddhism.

# ABOUT

## Atal Bihari Vajpayee Skill University (ABVSU)

Atal Bihari Vajpayee Skill University (ABVSU), established in 2025, is a premier private institution located in Pankong, Sikkim, India. Constituted by the Sikkim State Legislature and officially recognized through its state gazette, ABVSU proudly holds recognition under Section 2(f) of the UGC Act, 1956. It is going to be registered under the University Grants Commission (UGC) and to be a proud member of the Association of Indian Universities (AIU).

ABVSU is strategically located in the picturesque state of Sikkim, surrounded by the majestic Himalayas, offering a tranquil and inspiring environment for learning. The university is dedicated to providing high-quality education and skill development programs that cater to the evolving needs of the global job market.

The university is equipped with state-of-the-art laboratories supporting academic and research endeavors in Physics, Chemistry, Biology, Law, and Pharmacy etc. enabling students to gain practical and industry-relevant experience. ABVSU is driven by a highly qualified academic team comprising of 100+ faculties, including regular & guest facilities offering a blend of academic rigor and industry expertise in every classroom.

Our library, housing more than 5,000 volumes, is a cornerstone of our academic ecosystem, empowering students and researchers with extensive learning resources and research materials.

Offering a wide range of traditional degree programs and industry-relevant vocational courses, ABVSU is dedicated to meeting the demands of a rapidly evolving global economy. The university has forged strong placement partnerships with leading multinational companies(MNCs), ensuring exceptional career opportunities for its graduates.

Reinforcing our commitment to inclusive education and regional development, ABVSU provides a 25% reservation for local Sikkimese students and faculty members, ensuring that the benefits of quality education reach the local community.

ABVSU is sponsored by the Skill Initiative Assessment Council (SIAC), renowned for its impactful work in skill development, digital literacy and educational innovation.

The Skill Initiative Assessment Council (SIAC), aims to Educate, Enable, and Empower. Operating across 21 states, SIAC has impacted more than 3 Lakh lives by focusing on educating children, enhancing youth skills and empowering girls and young women. Individual and governmental efforts are crucial in bridging this gap for India's successful transformation. In 2023, it was awarded the responsibility of operating 3 Industrial Training Institutes (ITIs) and 5 Polytechnic Institutes across Uttar Pradesh, under the Public-Private Partnership (PPP) model, showcasing its proven excellence in the vocational education sector.

# FROM THE DESK OF THE VICE CHANCELLOR

*Education is not just about earning degrees,  
it is about building skills*

It gives me immense pleasure and a deep sense of responsibility to address you as the Vice Chancellor of **Atal Bihari Vajpayee Skill University**. This university stands as a living tribute to the vision of our beloved former Prime Minister, **Shri Atal Bihari Vajpayee Ji**, whose leadership and foresight emphasized the need for a skilled and empowered India.

In today's dynamic world, higher education is no longer confined to classrooms and textbooks. The future belongs to those who are equipped with knowledge, skills, and character. At our university, we are committed to blending academic excellence with skill-based learning, thereby creating professionals who are not only employable but also capable of becoming entrepreneurs, innovators, and leaders of tomorrow. Our mission is to foster an environment where students can develop their intellectual abilities, discover their creative potential, and gain practical exposure through industry linkages, internships, research, and training. By promoting innovation, entrepreneurship, and technology-driven education, we ensure that our graduates are prepared to compete on both national and global platforms.

We believe in holistic development—where learning extends beyond the classroom. Through cultural activities, sports, community service, leadership programs, and extracurricular engagements, students are encouraged to grow as well-rounded individuals with strong values, discipline, and social responsibility.

**Atal Bihari Vajpayee Skill University** is not just an institution; it is a movement towards a self-reliant and skilled India. With state-of-the-art infrastructure, a dedicated faculty, and a vision aligned with national priorities, we are determined to empower every student who walks through our gates with the tools to succeed in life. I warmly welcome all aspiring learners to join this vibrant academic community. Let us work together to honor the legacy of **Shri Atal Bihari Vajpayee Ji** by shaping a generation that is skilled, responsible, and committed to building a better tomorrow.

***Wishing you all a rewarding and enriching academic year!***

WITH WARM REGARDS

# FROM THE DESK OF THE REGISTRAR

*Discipline and dedication are the pillars  
on which true learning stands*

It is indeed a privilege for me to serve as the Registrar of **Atal Bihari Vajpayee Skill University**, Gangtok, an institution that carries forward the noble vision of our former Prime Minister, **Shri Atal Bihari Vajpayee Ji**, whose dream was to build a skilled, self-reliant, and progressive India. This university is dedicated to the cause of education with a difference—where knowledge is seamlessly blended with skills, values, and character. The role of the Registrar's office is both dynamic and multidimensional. We act as the central pillar of the university's academic and administrative system, ensuring that all processes run smoothly, efficiently, and transparently. From admissions and examinations to academic records, faculty support, policy implementation, and governance, the Registrar's office ensures that every aspect of the university functions in harmony.

**Atal Bihari Vajpayee Skill University** is committed to creating a learning ecosystem that promotes academic excellence, practical training, research, innovation, and holistic student development. We believe that education must not only prepare students for jobs but also for life—instilling in them values of discipline, dedication, and responsibility. The Registrar's office plays a crucial role in maintaining this culture of integrity and ensuring that every student's journey in the university remains smooth, enriching, and purposeful. We also focus on creating a student-friendly environment by streamlining administrative services, embracing digital transformation, and ensuring easy accessibility of information. This helps students concentrate on their learning while the administrative system provides them the necessary support and guidance. Our university is not just a seat of learning; it is a center of empowerment, where each student is encouraged to transform skills into strength, knowledge into wisdom, and dreams into achievements. The Registrar's office remains committed to supporting this vision with dedication and sincerity. I extend my best wishes to all students, faculty members, and stakeholders of this university. Let us together uphold the values of **Shri Atal Bihari Vajpayee Ji** and contribute towards building a skilled, progressive, and empowered nation.

***Wishing you all a rewarding and enriching academic year!***

AICTE/Ady/AB/Advt-Public Notice/2022-23

Date: ५.०२.२०२२

To,

Vice Chancellor,  
Central / State / Private Universities

Subject : AICTE approval 2022-23

Dear Sir / Madam,

It is intimated that Hon'ble Supreme Court of India in case of Bharathidasan University & Another Vs AICTE & Others has interpreted the provisions of the AICTE Act and has held that university do not require prior approval of AICTE to commence a new department of course and programmes in technical education. Universities have obligation or duty to conform to the standards and norms laid down by the AICTE. For the purpose of ensuring coordinated and integrated development of technical education and maintenance of standards, AICTE may cause an inspection of the university, which has to be as per the provisions under relevant rules/regulations of the AICTE. Further, all affiliated institutions running technical education programmes requires prior approval of AICTE. However, it has been observed that some of the Central / State / Private Universities are taking partial approval of AICTE for some selected Technical Courses / Programmes, which is creating confusion among the stakeholders.

Therefore, AICTE decided that no partial approval of technical courses will be given to Universities in order to avoid confusion among stakeholders.

Accordingly, all universities are hereby informed that either they take full approval of all technical courses or they can continue without approval of AICTE.

Regards,

(Prof. Rajive Kumar)
